## THE PLAN TO DESTROY AMERICA

On October 12, 1960, Khrushchev allegedly said that the Communists would destroy America. This is a summary of how they are secretly doing it right now. (The source for this information can be found at [en.wikipedia.org/wiki/shoe-banging\\_incident](http://en.wikipedia.org/wiki/shoe-banging_incident)). Much of this material is covered in the video, *Agenda*. (You can purchase this DVD at [www.agendadocumentary.com](http://www.agendadocumentary.com)). Agenda 21 of the United Nations confirms what is said in the Agenda video (see <http://www.youtube.com/watch?v=TzEEgtOFFIM> and <http://www.un.org/esa/dsd/agenda21/>). Much of the funding for the work of destroying America came from George Soros, the Rockefeller Foundation, the Carnegie Foundation and the Ford Foundation (The Reece Report <http://en.wikipedia.org>). Some of these same foundations provided much of the funding for Planned Parenthood which is a eugenic organization that is trying to eliminate the black race in America ([www.blackgenocide.com](http://www.blackgenocide.com)). They also funded much of Alfred C. Kinsey's fraudulent work to undermine American morality and the home by starting the "Sexual Revolution" ([www.pbs.org](http://www.pbs.org))

Although the rank and file members of the Democrat Party are not aware of it, the leaders of the Democrat Party are working for many of the same goals that the radicals are working for in their efforts to Destroy America (see details inside). The Republican Party is also far from perfect and its leaders must be watched closely as some of them are also taking us away from our Founding Principles and into a One World Government.

The ANSWER is that we all need to be informed and stand united in the political process.
