The Great Deception- Part Three

Part I - How the Rothschild's have deceived the American Church

The Rothschild's claim to be Ashkenazi Jews and further claim that they can trace their lineage back to Noah's son Japheth. There are 2 problems with this:

-Japheth had a son named Gomer. Gomer had a son named Ashkenaz.

To be a "semitic" one has to come from the lineage of Noah's son Shem (Sem) not Japheth.

-The word "Jew" was originally *Loudaios* in Greek, *Yahuday* in Aramaic, and *Yehudi* in Hebrew. It was used to describe someone from the Kingdom of Judah which consisted of the tribes of Judah, Benjamin and part of Levi. There was no letter "J" until around the 17th century.

Conclusion: Jesus came from the Tribe of Judah through the bloodline of Shem (Sem). So, how can one say they are an Ashkenazi Jew?

Part II- How the Rothschilds infiltrated the Christian church and the Seminaries

-Through their shadowy network of the "Secret Six" in Boston, Samuel Untermyer (Rothschild Agent) found a protestant theologian in Kansas to be a "front man" by which they could insert their deceptive Zionist Theology into the King James Version of the Bible. They found Cyrus Scofield. Through Untermyer's influence Scofield was admitted into a sophisticated men's club in New York known as the Lotos Club.

-Scofield's role was to re-write the King James Version of the Bible by inserting Zionist-friendly notes in the margins, between verses and chapters, and on the bottoms of the pages.

-Through limitless advertising and promotion, it became a best-selling "bible" in America and has remained so for 90 years. It is also a standard for interpreting scripture in Christian churches, seminaries, and Bible study groups.

-Scofield had a shady past. He had deserted his wife and children, was known to drink excessively and had just gotten out of jail when he was approached by Untermyer. Scofield had also never been to a seminary.

-In spite of the name “Scofield Reference Bible,” Oxford University Press retained ownership of the “Bible” and continued to make revisions to it long after Scofield’s death.

-In 1871 Albert Pike founder of one of the Rothschild’s Secret Societies known as “The Order of Perfectibilists,” received a vision, which he described in a letter dated August 15, 1871, that graphically outlined plans for 3 World Wars that were seen as necessary to bring about the One World Order.

-The ultimate goal of the Rothchild’s is to bring about a 3rd World War that will rid the planet of millions of useless eater. The Rothschild’s New World Order only needs 500 million of us for slaves.

Part III - Who Are the real Israelites and Where Are They?

Who they are not

Ezekiel 36:5

“Therefore, thus says the Lord God: “Surely I have spoken in My burning jealousy against the rest of the nations and against all **Edom**, who gave My land to themselves as a possession, with wholehearted joy and spiteful minds, in order to plunder its open country.”

Ezekiel 36:24-28

For I will take you from among the nations, **gather you out of all countries**, and bring you into your own land. Then I will sprinkle clean water on you, and you shall be clean; I will cleanse you from all your filthiness and from all your idols. I will give you a new heart and put a new spirit within you; I will take the heart of stone out of your flesh. I will put My spirit within you and cause you to walk in My statutes, and you will keep My judgments and do them. Then you shall dwell in the land that I gave to your fathers; you shall be My people, and I will be your God.

Ezekiel 37:21-23

Then say to them, Thus says the Lord God; “Surely I will take the children of Israel from among the nations, wherever they have gone, and will gather them from every side and bring them into their own land; and I will make them one nation in the land, on the mountains of Israel; and one king shall be king over them all; they shall no longer be two nations, nor shall they ever be divided into two kingdoms again. They shall not defile

themselves anymore with their idols, nor with their detestable things, nor with any of their transgressions; but will deliver them from all their dwelling place in which they have sinned and will cleanse them. Then they shall be My people, and I will be their God.”

The prophecy of Ezekiel tells of repentant Israel returning to their homeland for the Millennium under Messiah’s rule. Not the current occupation by Edom under Satan’s rule.

To further illustrate this point Ezekiel 48:30-35 describe the Gates of the New City and the name of the city will be “The Lord is There.” And Revelation 21:10 describes the New Jerusalem coming down out of heaven from God and it further describes the gates of that city.

Does God know where they are?

-Israel is lost only to modern intellectuals, many of whom are humanists and atheists and scoff at the Bible’s historicity. But, in James 1:1 he addresses his letter “to the 12 tribes which are scattered abroad”. You can’t write a letter to someone if you don’t know where they are!

-The Jewish historian Josephus verifies James in his *Antiquities of the Jews*, he says: “The entire body of the people of Israel remained in that country (Medea). Wherefore there are but two tribes (Judah and Benjamin and part of Levi), in Asia and Europe subject to the Romans, while the 10 tribes are beyond the Euphrates till now and are **an immense multitude and not to be estimated by numbers. Genesis 49:22 tells us that “Joseph (son of Jacob) is a fruitful bough, a fruitful bough by a well; his branches run over the wall.”** This would indicate that the seed of Israel would be far greater than the current 9,000,000 inhabitants of the state of Israel.

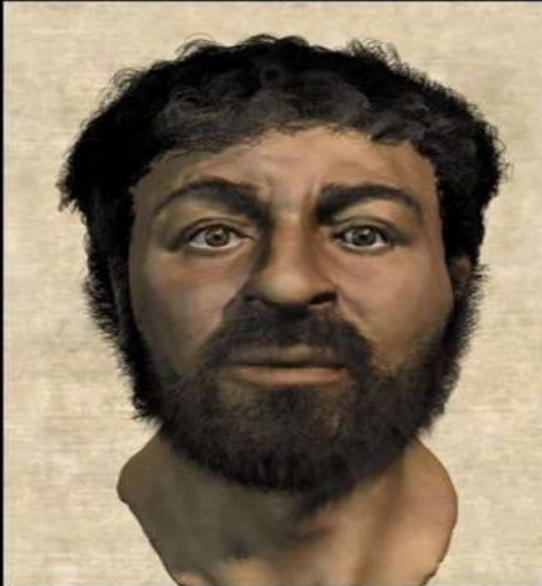

At the time, the region beyond the Euphrates all the way to India and northward to the Russian steppes, was the great Parthian empire. The same Parthian empire that sent the Magi to Bethlehem to honor the newborn King of the Jews, the King of Israel. Why do you think they did that if they did not have a vested interest in the Israelite king. This is an entire empire that modern education ignores that is mostly Israelite.

We find clues in the books of Isaiah and Jeremiah that tell us that He will gather His people from the Northwest, from the isles afar off and in the coastlands afar. He is speaking, not of the nearby islands and coastlands of the Mediterranean Sea because they were familiar with those, but distance ones. That could only mean the coast of Europe and the islands off it like England and Ireland and all the other islands that make up the British Isles. He also tells us in Jeremiah 31 that He will gather the remnant of Israel from the chief of the nations. These nations are not puny, insignificant countries but are among the most vital, wealthiest, strongest nations on earth.
